EDUCATION

Stow-Munroe Falls High School, Stow OH — GED

AUGUST 2017 - MAY 2021

I graduated from Stow-Munroe Falls High School with a cumulative 4.567 GPA. I participated in a Programming and Software Development Career Program, in which I pursued skills and a set of classes relevant to my desired field of study.

- Enrollment in Full Honors/AP Curriculum
- Achieved a score of 34 (99th percentile) on an official 2019 ACT test

The Ohio State University, Columbus OH — BS in Data Analytics

AUGUST 2021 - PRESENT

I am currently pursuing a degree in Data Analytics with honors distinction with a Cognitive Science minor at The Ohio State University with intent to pursue undergraduate research and a strong motivation to learn outside my curriculum.

- Enrollment in Honors and Scholars Program
- Participation in Athletic Band
- Participation in 2022 DataFest

EXTRACURRICULARS

Drumline — Snare

AUGUST 2013 - PRESENT

I participated in concert band and marching band at my high school for 4 years and marched with WGI's Matrix A independent indoor drumline during my senior year. I did athletic band at OSU during the fall semester of last year and have tried out for the marching band. Drumming is a passion for me and a hobby to which I've devoted thousands of hours.

- Marching band squad leader (Junior and Senior years)
- Marching band Percussion section leader (Senior year)
- Concert band Wind Ensemble percussion section leader (Junior and Senior years)

EXPERIENCE

The Ohio State University, Columbus OH — Grader/Software I

JANUARY 2022 - MAY 2022

I was responsible for grading student-submitted assignments and for assisting students directly during two weekly labs. The role provided me the opportunity to reinforce my own comfortability with software ideas by learning to teach them and elevated my own confidence in my knowledge.

Dunkin', Stow OH — Crew Member

AUGUST 2019 - FEBRUARY 2021

The position entailed fast-paced work and required efficient multitasking, as the store would be staffed with only two employees in the afternoon, responsible for waiting on, preparing food and drinks for, and cashing out customers at both the front counter and drive-through, as well as completing an afternoon checklist over during their shift.
